Chairman Baker called the meeting to order at 5:00 p.m. There were five (5) Commission members present at roll call. Quorum was declared.

Commissioner Gozdecki made a motion to open bids on Bridge No. 143 on Kennedy Avenue over the Little Calumet River and take the bids under advisement; motion seconded by Commissioner Ware. Mr. Repay stated that we received bids from Superior Construction and Dunnet Bay Construction for the project to raise the Kennedy Avenue Bridge. This will be a two-year project with one lane of traffic open in each direction during construction. The bid amounts include a base price and seven different alternates that will need to be reviewed before the contract can be awarded. Chairman Baker asked if there were any questions and called for a roll call vote. Motion passed 5-0. The bid openings were as follows:

Superior Construction: Base Price - \$7,517,455.91, Alternate #1 - \$386,547.80, Alternate #2 - \$259,447.80, Alternate #3 - \$135,611.72, Alternate #4 - \$201,023.22, Alternate #5 - \$152,510.70, Alternate #6 - 935,143.82, Alternate #7 - \$105,460.75

Dunnet Bay Construction: Base Price - \$7,377,036.00, Alternate #1 - 445,000.00, Alternate #2 - \$280,172.72, Alternate #3 - \$176,308.64, Alternate #4 - \$422,452.50, Alternate #5 - \$347,587.50, Alternate #6 - \$990,036.00, Alternate #7 - 82,706.30

There being no further business, the next meeting was scheduled for 6:00 p.m. Wednesday, January 9, 2019, at the Munster Town Hall.
